MSCA-IF Workshop, Roundtable and Coaching session

CATHERINE HALBERT

May 27, 2026 to May 28, 2026
09:30 to 17:00
Elements Room

The workshop focuses on the Horizon Europe Marie Sk?odowska Curie Postdoctoral Fellowships (MSCA-PF). You will receive practical tips from an experienced EC evaluator on how to write a competitive proposal.
It is assumed that participants will already understand the basic requirements for MSCA-PF, but in any case, the workshop will highlight any changes in the new Horizon Europe MSCA Work Programme for the current year.
Agenda:
DAY 1: ICFO Research Support services
Roundtable: Candidate's perspective
Coaching session: How to write a competitive proposal
DAY 2: MSCA-IF worksho
Target Group: PhD students, Postdoctoral reserachres, Research Supervisors, and Research Managers and Administrators. Priority will be given to Postdoctoral researchers
Available places: 30
Training content:

How to write the excellence section
How to write the impact section
How to write about implementation
Interactive discussion
