Leadership in Action

CAROLINE BROAD

March 24, 2022 to March 31, 2022
09:00 to 12:30
Online

BIST is organising a new edition of its programme Leadership in Action, designed by usi
g VITAE's framework, which will offer you the opportunity to focus on developing skills f
r successful self-management and development to progress in your professional career. T
e course is offered to postdoctoral researchers currently working at BIST resea
ch centres (CRG, IBEC, ICFO, ICIQ, ICN2, IFAE, IRB Barcelona), but is also open to ex
ernal postdoctoral commun

Dates:

24th, 25th , 30th and 31st of March

09:00 - 12:30, ONLINE

Target audience:

ICFO Post-doctoral researchers are invited to join the course
The places available will be filled on a first come first served basis

Available places: 5?

Training content:

? The aim of the Leadership in Action program is to develop leadership best practices whil
t using your own strengths and style to

Encourage team cohesion and collaboration
Develop techniques that support effective resource and task management
Create a culture of open, proactive communication and decision-making

The sessions will explore theories and test strategies that contribute to your individual leadership development. This is a practical and participative workshop. You will work in smal
groups to apply the theory to your individual leadership challenges and create a professiona
development plan to apply new approaches.
