MSCA-PF Seminar: How to write a successful proposal

CATHERINE HALBERT

June 28, 2022
10:00 to 13:00
BIST (Barcelona)

The seminar focuses on the **Horizon Europe Marie Sk?odowska Curie Postdoctoral Fellowships (MSCA-PF)**.
It will be presented by **Dr. Catherine Halbert**, experienced EC evaluator, and will be held at **BIST** (C/Comte d'Urgell, 187, building 12, 08036, Barcelona) on **June 28, 10-13**.

Participants will receive **practical tips** from an experienced EC evaluator on **how to write a competitive proposal**.
It is assumed that participants will already understand the basic requirements for MSCA-PF, but in any case, the seminar will highlight **any changes in the new Horizon Europe MSCA Work Programme for the current year**.
At the end of the seminar, participants will understand what to write under each of the headings in the proposal documents, and how EC evaluators assess each section.

If you are interested in attending, please fill in the registration form by **June 16**
Please, note that the number of places available for this seminar is limited.
Applicants will be contacted after the registration deadline to confirm their participation.
